

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Homer Electric Association, Inc. (HEA) filed TA446-32, seeking approval of a special contract between HEA and Alaska Communication Internet (ACI) for high-speed fixed wireless antenna attachments.

Under the agreement, ACI will install up to six antennae, per pole, on new or existing poles to help ACI deploy high speed service in HEA's service territory. The contract provides that ACI will pay a charge for energy service per antenna, calculated on a monthly basis. The contract also provides that ACI will pay an application fee of \$250.00 per pole and construction costs. ACI will initially pay a rate of \$13.76 per pole for rent of attachment space, which will be increased by 3 percent each year on January 1. HEA proposes to meter three different, representative installations to corroborate bill usage to actual kWh consumption. The contract provides a schedule for energy charges by wattage. The term of the contract is five years with a provision for an automatic renewal of an additional five-year term unless either party provides notice of termination one year prior to the contract's conclusion.

This notice does not contain all requested revisions and the Commission may approve a rate or classification that varies from those proposed. You may obtain more information about this filing by contacting J.D. Draves, Manager of Regulatory Affairs and Rate Design, at HEA at 3977 Lake Street, Homer, AK 99603; phone: (907) 235-3325. The complete filing is also available for inspection at the Commission's office at 701 West Eighth Avenue, Suite 300, Anchorage, AK 99501; phone: (907) 276-6222, or may be viewed on the Commission's website at <http://rca.alaska.gov> by typing "TA446-32" in the *Find a Matter* search box
